

**PUBLIC NOTICE**  
**R.M. OF STRATHCLAIR ELECTORS**

The Council of the R.M. of Strathclair are considering the elimination of Wards in the municipality for Election purposes. They have given first reading to a By-Law that dissolves the wards which would allow the next general election (2010) to be held "At Large". They do not intend to change the number of Council members at this time. In an election "At Large" every elector may vote for the number of Councillor seats available and for the Reeve seat. Council would like to invite anyone wishing to discuss this issue with them to a public meeting to be held late August or early September. This notice is given to allow you time to think about the change and decide if you wish to bring forth any concerns. Another notice will be advertised once the date of the public meeting is set.

Council  
R.M. of Strathclair
